PARTY

DISNEY ON ICE PRESENTS MICKEY'S SEARCH PARTY

Joined by Mickey Mouse and Minnie Mouse, live hosts will enliven the performance space by welcoming everyone into the magical world of Disney On Ice, setting the stage for a participatory adventure. Guests will embark on a search for clues to find Tinker Bell after Captain Hook tries to capture her magic in this all-new show at Target Center. As each scene unfolds, compelling storytelling will be delivered through multi-level production numbers by skaters, performers and acrobats alike. As Miguel from Disney-Pixar's Coco crosses the marigold bridge, he finds himself in the magnificent and mystical Land of the Dead. Through video projection, Arendelle builds from the ground up, and ice harvesters from Disney's Frozen use extreme skating to launch themselves from the mountainous, wintry slopes delivering an athletically-driven performance as they chop their way through blocks of ice. The iconic chandelier seen in "Be Our Guest" comes to life as Belle and the enchanted objects from Beauty and the Beast become a rotating carousel using aerial silks and lift upward into the air, mesmerizing onlookers seated above and below.
