3M Club Policy for COVID-19 Event/Venue Changes Updates:

In the event of a cancellation: 3M Club will reach out to event ticket holders to communicate the process for refunds.

In the event of postponement or suspension: 3M Club wants to ensure that each current ticket holder has the right to attend the event in the future. Since the event is still planned to happen in the future, ownership of the ticket doesn't change until event is cancelled.

Tickets for events and concerts will continue to be marketed and sold, as a way for members to reserve their option to attend ticketed events, just as they were prior to any COVID-19 impacts.

3M Club St. Paul Board has updated its COVID Statement

The Covid situation continues to change quickly. To be more responsive to these needs, all ticket/events will have a committee review (subset of 3M Club St. Paul Board Members) to determine if the event has the appropriate safeguards in place to proceed. If you have questions about an event, contact us by sending an email with the details to 3MClub-StPaul@mmm.com.

3M Club of St. Paul has already made decisions on contracts for season tickets and Suites for 2021. COVID 19 impacts the financial value that 3M Club members get from these contracts. To ensure we are providing the maximum benefit to our 3M Club members and avoid a significant increase in ticket prices, 3M Club of St. Paul has pushed out our contract year to 2022.

Our COVID committee will continue to adjust expectations for indoor and outdoor events to address changes coming from 3M, the Minnesota Governor, and the CDC. As opportunities become available, the 3M Club St. Paul Board will consider modified contracts allowing us to offer season tickets and Suites. We are looking forward to starting our contract year for full Season Tickets and Suites as we have in the past and get our members back into the events they love!
