3M Club Q & A:

Helpful hints for 3M Club Members:

1. Did the drawing for concert tickets happen? --- You will receive an email from the Venue owner (see venue owners at the bottom of the newsletter) only if you have WON tickets. If you did not win tickets, then you will not be contacted. If for some reason there are extra tickets, then the venue owner will reach out to those who put in a request. Also watch Yammer for last minute ticket updates.
2. Will there be Play-off tickets for MN sporting events? --- Please monitor Yammer for up-to-date information on each MN Sports team and the potential for play off tickets. Venue owners (see list at the bottom of this newsletter) will post updates to Yammer.
3. 3M Club Board of Directors is made up of all Volunteers. We are all full time 3Mers. Please be patient with us and make sure to read all details when emails and Yammer posts are sent to decrease any extra communication that tends to happen. When in doubt, email.
4. 3M Club Membership -- Offerings posted on Yammer and the Newsletter are for 3M Club members. If you are not a 3M Club member or are unsure of your membership, please check your Jan 2022 3M paycheck to see if \$25 was taken out for yearly 3M Club Dues.
5. What happens to any extra tickets to concerts & sporting events? --- Last minute tickets need to be purchased by a 3M Club Member. Non-3M Club members can attend these events. Prices for tickets will not be discounted.
6. Enjoy volunteering? We're always looking for help at our various events and down the line may have openings on the 3M Club Board. Fill out this [FORM](#) if you are interested in the various volunteering events.
7. Didn't get your tickets for a game? --- Please make sure to reach out to your venue owner in enough time in case of technology issues. Life happens, we want you to enjoy the event, but allow enough time & planning for all involved.

Volunteer Opportunities

Habitat for Humanity:

The 3Mgives Habitat Alumni Volunteers collaboration with Twin Cities Habitat for Humanity is building affordable homes again. The 3Mgives Habitat Regular Crew has been building and rehabbing homes in the East Metro area throughout the winter and spring.

In 2021 volunteer group had another outstanding year given the unique circumstances of building during a pandemic. Nearly 60 volunteers managed to log over 1450 volunteer days in supporting the Twin Cities Habitat for Humanity mission.

The volunteer group is now building on Tuesday's and Thursday's and will shift to 4 days per week (M-T-Th-F) in early July.

Our work covers most aspects of home building from framing to finishing with a mix of light and normal duty tasks.

New volunteers are needed and always welcome.

Contact Lou Cristan at lou@cristanllc.com for more information and/or are ready to join the crew and volunteer with fellow retired 3Mers to build affordable homes.
