

Membership Registration and Dues Authorization Form

I wish to join the 3M Club of St. Paul, Inc. I authorize 3M to deduct the annual dues of \$25.00 from a current paycheck and from a January check in each following year.

I understand that I can withdraw my membership and this authorization by completing a withdrawal request prior to November in any year. Withdrawal request forms are available by contacting the 3M Club (651) 737-5142. No refunds will be given.

If membership dues change, the notification of change will be published at least 90 days prior to the end of the year in which dues change.

\$25.00 – 3M Club of St. Paul dues will be automatically deducted from your paycheck annually. 3M Club dues are not deductible for Federal Income Tax purposes as charitable contributions.
